

PERMISSION TO USE CHILD'S PHOTOGRAPHS

Dear Parents/Guardians

Children at North Kiama OSHC will be involved in activities where they may be photographed. Photographs of children may be used in a variety of media to celebrate a children's success in a particular area or for educational purposes or to promote activities at the centre. Photographs of children are also used in newsletters, centre brochures, web site, special displays and other promotional material.

The majority of parents are happy for their child's photograph to be used and their children enjoy seeing their photographs in the newsletters and on centre publications.

We need parental permission to publish children's photographs. No child's photograph will knowingly be published without parent permission. Accordingly I ask that you complete the form below and return it to centre as soon as possible.

Please note this permission form is valid for the duration of your child's enrolment at North Kiama OSHC; however permission may be withdrawn at any time upon written notification.

Thank you

Mel Hunt
Coordinator
